Dear Parents/Guardians,

We are very pleased to inform you of a new program that will be taking place in our school called the Playground Leadership Program in collaboration with Bartimaeus Quebec. This program was developed with the intent of making a positive difference in the playgrounds during recess periods. The many benefits this program promotes are:

- Healthy living and safe play during leisure time
- A reduction in aggressive behavior
- Respect for others and property
- Development of social and leadership skills

Grade 4, 5 and 6 students who are interested in becoming playground leaders will be given the opportunity to fill out an application form and go through an informal interview. Those selected as leaders will participate in a theoretical and practical training to lead, animate and teach the younger students to play specific games/activities, to ensure that the rules are being followed and be role models. The leaders will be guided and supported by the program support staff members.

Our goal is to achieve the above mentioned in a safe, structured and fun environment.

If you have any questions, please feel free to contact the school.

Sincerely,

Daniela Lattanzio  
Principal
